## ***Kimbolton Fireworks One Day Training Course - Directions***

### **By Road :**

#### **From the South :**

A1(M) North from London approximately 45 mile from M25, trun left onto B645 (old A45) at St Neots and follow this for 6 miles to Kimbolton. Travel along the High Street and go round the bends past the church. The Mandeville Hall (village hall) on the left hand side, opposite Robinson's Garage.

#### **From the North :**

A1(M) South from Peterborough direction. Turn right (East) at the Buckden roundabout (one junction below the A1/a14 interchange). Follow this road for appox. 6 miles until it runs out at the B645 at Great Staughton. Turn right and follow the road for 3 miles to Kimbolton. Travel along the High Street and go round the bends past the church. The Mandeville Hall (village hall) on the left hand side, opposite Robinson's Garage.

#### **From the East and West :**

Follow the A14 to the A1 junction. Turn South onto the A1. Turn right (East) at the Buckden roundabout (one junction below the A1/a14 interchange). Follow this road for appox. 6 miles until it runs out at the B645 at Great Staughton. Turn right and follow the road for 3 miles to Kimbolton. Travel along the High Street and go round the bends past the church. The Mandeville Hall (village hall) on the left hand side, opposite Robinson's Garage.

### **Parking :**

There is limited parking at the Mandeville Hall for disabled persons only. Please try to find parking in the High Street. Please avoid parking in the road outside the hall as the bend before is 'blind' and a potential 'blackspot'.

### **By Rail :**

Take the train from Peterborough or King's Cross to St. Neots. Taxis are available at the end of the station but allow plenty of time as they can take a while to become available. The journey is approximately 7 miles and may cost around £10-£12. Please remember to book a return taxi if necessary.

### **Afternoon firing site :**

After lunch we will transfer to Kimbolton Airfield (disused) for a firing demonstration. It will be necessary to travel by car and directions will be given on the day. For persons without transport, a lift can be arranged.
